Spanish Peaks Music Festival – 2019

SPONSORS NEEDED AND VERY MUCH APPRECIATED

As we all know the 2018 record-breaking Spring Fire not only caused evacuations and great concern and hardship on local residents and businesses, but forced the cancellation of our concert. 2018 would have been the third year this amazing festival has been held at the LaVeta Airport! This comes after 4 very successful years in Cuchara, where the popularity of the event was undeniable and the venue was changed for ample room to grow. We actually set up on the West end of the runway, where the views are nothing short of spectacular.

Our two major artists that we had given significant deposits to, chose to keep the deposit. While this was certainly their right under the contract, it put the festival in a bad place financially. We need help in underwriting a headliner. Attached is a list of sponsorship levels. PLEASE consider helping.

In 2017, we were able to donate \$1,500 to the LaVeta 4H program, and \$1,500 to the Cuchara Recreation program! We hope to do even better in 2019.

This year's concert will be a two day event, with a Friday night concert featuring **Blues** bands. Saturday's concert will have **Country** bands.
